Appraisal :

The application property is a chalet style dwelling located on a private road off Meadow side. The property has been extended recently with a garage and a dormer window.

The proposal is for a conservatory located on the North East corner of the dwelling. The conservatory would be 2.5m in depth and 3.0m across with a maximum height of 2.8m to the monopitch roof.

The land rises to the rear of the garden and the patio the conservatory would be located on is set into the slope. The bank here is in excess 2.0m high because of the land change. As a result the neighbouring property are unlikely to be adversely affected.
