Application Number: F/2000/2940

Parish: **WOKINGHAM**

Location: **98, Bearwood Road, Wokingham.**

Proposal: **Proposed first floor side extension to dwelling.**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Condition
1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Condition
2. All new works and works of making good to the retained fabric shall be finished to match in size, colour, texture and profile those of the existing building.

Condition
3. Notwithstanding the provisions of the Town and Country Planning, (General Permitted Development) Order 1995 (or any Order revoking and re-enacting that Order with or without modification) no additional windows or similar openings shall be constructed in the side elevation of the extension hereby permitted except for any which may be shown on the approved drawing(s).

Condition
4. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any Order revoking and re-enacting that Order with or without modification) the garage accommodation on the site shall be kept available for the parking of vehicles ancillary to the residential use of the site at all times. It shall not be used for any business nor as habitable space.

Condition
5. No part of any building(s) hereby permitted shall be occupied or used until the vehicle parking and turning space herein approved has been provided. The vehicle parking and turning space shall be permanently maintained and used for no other purposes.

Reason
1. In pursuance of Section 91(1) of the Town and Country Planning Act 1990.

Reason
2. To ensure that the external appearance of the building is satisfactory.

Reason
3. To safeguard the residential amenities of the occupiers of neighbouring properties.

Reason
4. To ensure that adequate parking space is available on the site, and reduce the likelihood of roadside parking.

Reason
5. To ensure a satisfactory form of development and to avoid adverse impact on the public highway in the interests of highway safety.

Informative
1. You are advised, in compliance with The Town and Country Planning (General Development Procedure) (England) (Amendment) Order 2000, that the following policies and/or proposals in the development plan are relevant to this decision:

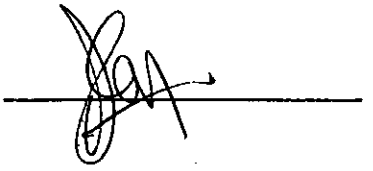

Berkshire Structure Plan Policy EN1.

South East Area Local Plan Policies SBE2 and ST5.

Deposit Draft Wokingham District Local Plan Policies WBE1 and WT6.

Informative
2. You are advised that the development hereby approved is granted planning permission on the understanding that the location plan and elevations on drawing No. AH/E/3088 are annotated incorrectly.

This application will have expired on: 24/01/2001. You need to make a decision 1 day prior to this date for this application to count as determined in less than 8 weeks.

Consultation Responses:

Highways - recommend approval subject to appropriate condition and assurance that driveway is minimum width of 4.8 metres.

Environment Agency – no objection subject to appropriate conditions

At the time of writing no other representations have been received.

Planning Issues: The issues raised by this application are impact to neighbour amenity, street scene and provision of off street parking.

The following policies apply: Berkshire Structure Plan policy EN1: Policy SBE2 and ST5 of the South East Area Local Plan and, Wokingham District Local Plan Deposit Draft 1997 policy WBE1 and WT6.

Application Number: F/2000/2940

Appraisal:

The application property is a detached bungalow which is situated in a landscaped setting. The property has a deep frontage. The roof form has a steep pitch and there is a dormer window at both front and rear.

The application proposes building over the garage to form an additional habitable accommodation. The extension mirrors the existing building.

The proposal is considered to be in keeping with the character and appearance of the existing building and would not detract from its setting.

The extension would be built on the north side of the dwelling, the side facing no. 102 Bearwood Road.

There is sufficient space between the dwelling to ensure no overbearing impact, and no flank elevation windows are proposed, so no material loss of privacy would result. No.102 has no flank windows on the elevation facing the application property.

Dear Sir

FIRST FLOOR SIDE EXTENSION - 98 BEARWOOD ROAD, WOKINGHAM

Thank you for your letter dated 12 December 2000 which was received on 14 December 2000. You are asked to quote the following reference in any correspondence: SU76NE/14/13. The Environment Agency has the following comments:

The Environment Agency has no objection, in principle, to the proposed development provided the following condition is imposed on any planning permission granted:

PLANNING CONDITIONS

CONDITION: No soakaways shall be constructed such that they penetrate the water table, and they shall not in any event exceed 3 metres in depth below existing ground level.
REASON: To prevent pollution of groundwater.

ADVICE TO PLANNING AUTHORITY

Environment Planning: Contact Miranda Wycherley on 01276 454384

According to our records, there is one landfill site within 250 metres of the site, as follows:

Grid Ref	*Distance from site*	*Landfill name*
SU784 680	70 metres	Highland Avenue

In view of the proximity of the proposed development to the above landfill site, it is considered possible that landfill gas may present a risk to this proposal. The Agency would advise that either the following condition is imposed or that the applicant is advised to incorporate gas protection measures into the design of the building. Suitable techniques are outlined in the Building Research Establishment Report No. 212 "Construction of New

Cont/d..

Environment Agency
Swift House, Frimley Business Park, Frimley, Camberley, Surrey GU16 7SQ
Telephone : 01276 454300 Fax : 01276 454301

Buildings on Gas Contaminated Land". This will ensure that the development is protected against the adverse effects of gas that may migrate into the building.

CONDITION: No development approved by this permission shall be commenced until a landfill gas risk assessment has been submitted to and approved in writing by the Local Planning Authority. Where a risk from migrating gas is identified, appropriate works to mitigate the effects of gas shall be incorporated in detailed plans to be approved by the Local Planning Authority.
REASON: To protect people on or close to the site from the risks associated with migrating landfill gas.

ADVICE TO APPLICANT

Surface water from hard surfaced areas should discharge via deep seal trapped gullies incorporating a minimum water seal of 85mm or similar.

Roof water downpipes should be connected to the drainage system either directly, or by means of back inlet gullies provided with sealing plates instead of open gratings.

All sewage or trade effluent should be discharged to the foul sewer if available subject to the approval of Thames Water Utilities or its sewerage agent.

DECISION NOTICE

Would you please forward a copy of the decision notice to this office quoting our reference. A copy of this letter has been sent to the agent/applicant. If you have any further queries please do not hesitate to contact me on 01276 454323, quoting the reference cited at the beginning of this letter.
