Proposal: **Proposed first floor side extension to dwelling**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Application Number: F/2000/1744

Appraisal :

IMPACT UPON NEIGHBOURING PROPERTIES

The application being considered is for a proposed first floor side extension to dwelling. The proposed extension continues the length of the existing roof to form a gabled end. The extension projects out as far as the existing single storey extension.

The neighbouring property of No 16 Broad Hinton has the rear elevation facing onto the proposed development, however there is a distance of approx 20 metres between the properties as well as 1.8 metre close boarded fence on the boundary that prevents any overlooking to the detriment of the residential amenity of No 16 Broad Hinton.

There are no additional windows on the proposed north-west elevation of the extension. The two additional windows to the rear of the property look onto over 2 metre high conifer trees and open land to the rear. It is therefore considered that the proposed extension will not have an adverse negative impact upon the neighbouring properties and their living conditions.

IMPACT UPON THE STREET SCENE

The proposed development continues the building line of the original dwellinghouse, and would not have a significant detrimental impact upon the character of the wider area.

IMPACT ON HIGHWAY SAFETY

The Highway Authority is satisfied that the proposed development meets the District's highway standards, therefore it is considered that there is no detrimental impact on highway safety.
