<b>Proposal:</b>	Householder application for the proposed single storey front extension to facilitate a porch. Followed by a single storey side extension and changes to fenestration.
<b>Recommendation:</b>	Approve

### **Conditions and/or Reasons**

#### **1. Timescale**

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

*Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).*

#### **2. Approved details**

This permission is in respect of the submitted application plans and drawings numbered GP-2407-A-3 and GP-2407-B-1 received by the local planning authority on 17/01/2025. The development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the local planning authority.

*Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.*

#### **3. External materials**

Except where stated otherwise on the approved drawings, the materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of similar appearance to those used in the existing building, unless otherwise agreed in writing by the local planning authority.

*Reason: To ensure that the external appearance of the building is satisfactory.*  
*Relevant policy: Core Strategy policies CP1 and CP3.*

### **Informatics**

1. The development accords with the policies contained within the adopted / development plan and there are no material considerations that warrant a different decision being taken.

2. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received

and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.

3. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.
