# Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

In the previously approved elevations, there is a technical error of the eaves of the proposed first floor extension, not matching in height on the side elevations, when compared to the front and rear elevations.

This NMA addresses that technical error by submitting revised Proposed Side Elevations. The approved 0.45m set down in ridge height would remain and the height of the single storey side element would remain the same.

Patio door and window removed on Proposed Side-1 Elevation. One more Ensuite window added on first floor in Proposed Side-2 Elevation.

Please state why you wish to make this amendment

The Proposed elevations as approved cannot be built as the Side Elevation doesn't match with the front and rear elevations.

Internal layout changes lead to relocation of a door and 2 windows.

Are you intending to substitute amended plans or drawings?

- ☒ Yes
- ☐ No

If yes, please complete the following details

With respect to the Authority, is the applicant and/or agent one of the following:

- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
