

## **27 Pitts Lane – Kerb drop proposal.**

Location – This detached house is situated between Pitts Lane and Hilltop road as shown below.

**Front picture of home below:**

The proposal is to drop 3 kerbs to create a wider vehicular access to existing driveway. The left pillar (with letterbox) and wall until the middle pillar will be removed too to create this wider vehicular entrance/exit.

Pitts Lane is a B Road and hence planning permission is required.
