

PLANNING REF : 260598
PROPERTY ADDRESS : 5 Wilderness Road
: Earley, Reading, Berkshire
: RG6 7RU
SUBMITTED BY : Mr Richard Munday
DATE SUBMITTED : 04/04/2026

COMMENTS:

As advised on 29 March the applicant has not displayed an orange notice at any time since submission of their request for planning permission. We therefore believe that the consultation period should start on the date that they display it and then last for the standard three weeks. It should be noted that the applicant also failed to display a notice when they applied for permission for their main extension in early 2024.
