George,

With out over complicating this. I can confirm we have no objection to you removing and replacing the hedge at the appropriate time .

We realise this would assist in the planning process.

All terms to be agreed by further submissions at the appropriate time.

Yours peter mc cormack

Hi Peter

At this stage, we just need your broad agreement for the removal and replacement of the hedge. A simple reply to this email would be fine however this needs to be before we submit our planning application.

Of course, happy to show you the plans before we submit in case of any concerns.

All the best,

George
