COMMENTS:

Development plans for Swallowfield - and especially Trowes Lane - have gone mad. And there's still no provision for doctors, education, traffic, public transport, shops. And no additional measures to deal with inadequate sewage systems, drainage / flood mitigation or our dwindling countryside (which gives the village its character). There are rules and regulations around all this but I really can't be faffed with looking them all up AGAIN. Especially since the planning inspectorate seems to ignore them anyway.
