Good Morning Boni

Emy is on leave today so has asked that I forward our response to your comments on the drainage strategy. Please find attached the following:

1. 'Drainage Response – AL' – provides a direct response to your queries.
2. Drainage Strategy drawing - A389-R7&R13-RM-501 E Drainage Strategy
3. Drainage Statement - A389-R023D R7&13 – updated to reflect the comments in the first document. The statement includes the full suite of related drawings as appendices.

As requested by the ecology officer, a section of the basin has been over dug to include a permanently wet feature which is reflected on all of the drawings.

Please let me know if you have any questions.

Thank you,
Stefania
