(Date must be pre-application submission)

Please provide a brief description of the building or part of the building you are proposing to demolish

The proposed ground floor extension will require the demolition of a 1960s bay window and its adjacent wall along the north face of the building. The first floor addition will require the demolition of a 1960s inside corner wall. For the full extent of the alterations see drawings 2105_AL_00_100 and 2105_AL_00_101

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

The demolition of the 1960s bay window will allow for a ground floor extension which will create an open plan living room for the family. The removal of the inside corner wall of Weavers Cottage creates a master suite for the property and reinforces the relationship between Sonning House and Weavers Cottage.

Aspects of the proposal accords with national and local policy and therefore, subject to the suggested amendemnts, is likely to be acceptable in principle. However we would suggest making the following amendments to you project before submitting a planning application:

Retaining the internal layout of the 18th century part of the building.

Reducing the scale of the proposed boundary treatment, keeping views to the listing building in mind while improving security.

Providing further detailed plans which show the relationship of the building with neighbouring properties (particularly Suna Court) and showing proposed external materials.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
