COMMENTS:

Please note that a large part of area is Floodplain.therefore no
Schools can be built on a Floodplain.
Major congestion already on Lower Earley Way at peak times due to
Shinfield and area developments with no new access onto M4 Motorway.
Area does not cope already for Doctors and overall Healthcare.

We need green areas unlike current developments joining Wokingham to
Bracknell.

Repeat: Floodplain.Congestion.Pollution.Green Areas to Breath clean
air.
