Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Having now established funding, the applicant will be in a position to undertake this work and is seeking to extend the 12 month period to 20 months to ensure sufficient time is provided to avoid having to make further s73 submissions in this respect.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Vary the wording of the 2nd paragraph of condition 22 to read
"Following completion of measures identified in the remediation scheme, a verification report that demonstrates the effectiveness of the remediation carried out must be produced and submitted within 20 months of commencement and is subject to the approval in writing of the Local Planning Authority."
