COMMENTS:

I'm writing in support of the Certificate of Lawfulness application for the buildings used by Jackie Chards Childcare. The nursery is a much-valued part of the local community, providing reliable, high-quality childcare and early education. With all the new housing developments in the area and recent rollout of the extended 30 hours funded childcare, demand from families has grown a lot. The nursery supports many working parents, and for myself (deputy manager) and my colleagues it's also our livelihood. I hope that you will recognise the important role that Jackie Chards Childcare plays and support this application so that we can continue providing this essential service.
