Details of the pre-application advice received

Various Pre-App meetings have been held to date to ensure the proposed development accords with LPA guidance. Proposed layout generally looks to be acceptable and similar to the illustrative masterplan shown at the Outline stage. The palette of materials indicated in the draft design code appear to be acceptable. Given the sensitive location of the site on the edge of Twyford, the proposed heights of the buildings need close scrutiny. The indicated design of the two storey dwellings in the street-scene drawings generally appear to be acceptable. Review the proposed mix to ensure it is more in line with the Twyford Neighbourhood Plan housing need requirement. On the whole, the content of the draft design code is generally considered acceptable, but will need amending to reflect comments made in relation to the pre-app proposals.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
