COMMENTS:

I am writing to object to the planning application 241567:

- Finchampstead surgery is already at full capacity, catering for patients from Arborfield, Swallowfield and Finchampstead. Additional homes will put further strain on NHS services
- The field is home to a number of protected wildlife whose habitats will be destroyed if the development goes ahead.
- There will be hundreds of extra car journeys made daily on Longwater Road, creating more pollution, traffic congestion, noise and hazardous driving conditions.
