

The information in this application is to support the case that the horse chestnut tree in the grounds of Bluebell house (owned by WBC) and overhanging into the garden of 37 Oaklands Drive is hazardous to the resident of 37 Oaklands Drive and as such remediation by WBC (as owner) is required.

The case and evidence has been best articulated within the limitations of this submission process for this purpose. This is the process as advised by WBC.

I Tim Lovell verify that all the attached supporting information is true and genuine and has been witnessed in person by myself.

Please contact Tim Lovell (agent for Mrs Lovell (applicant)) if any further information is needed to enable sufficient remedial works to be carried out to remove the existing hazards to the property and occupant of 37 Oaklands Drive.
