COMMENTS:

The concern by all Wokingham

Residents continues to be ignored and plans despite being told we  
can have our say and object continue to be ignored and constant  
building ruining a market town that cannot cope with the continual  
house

building - lack of all amenities f, lengthened travel times and most  
importantly the destruction of green areas & nature. The additional  
traffic causing destruction to areas wildlife journey time -  
complete destruction of what was a beautiful area all for back  
handers and housing of whom? Always ignored
