Dear Sirs

PLANNING PERMISSION F/2000/1349
SITE: 164 VICTORIA ROAD, WARGRAVE

I note that you have submitted an application for Building Regulations approval.

I would like to take this opportunity to remind you that Planning Permission Number F/2000/1349 has condition(s) attached to it. Some of these condition(s) may require approval prior to work commencing on site.

The Council considers that it is important that planning conditions are fully complied with to ensure that development proceeds in the manner it was intended. Consequently, I must point out that failure to comply with the condition(s) could result in a Breach of Condition Notice being served. If the Notice is not complied with your client could be liable to a £1,000 fine.

Any work carried out prior to these conditions being formally discharged is undertaken at your own risk and expense.

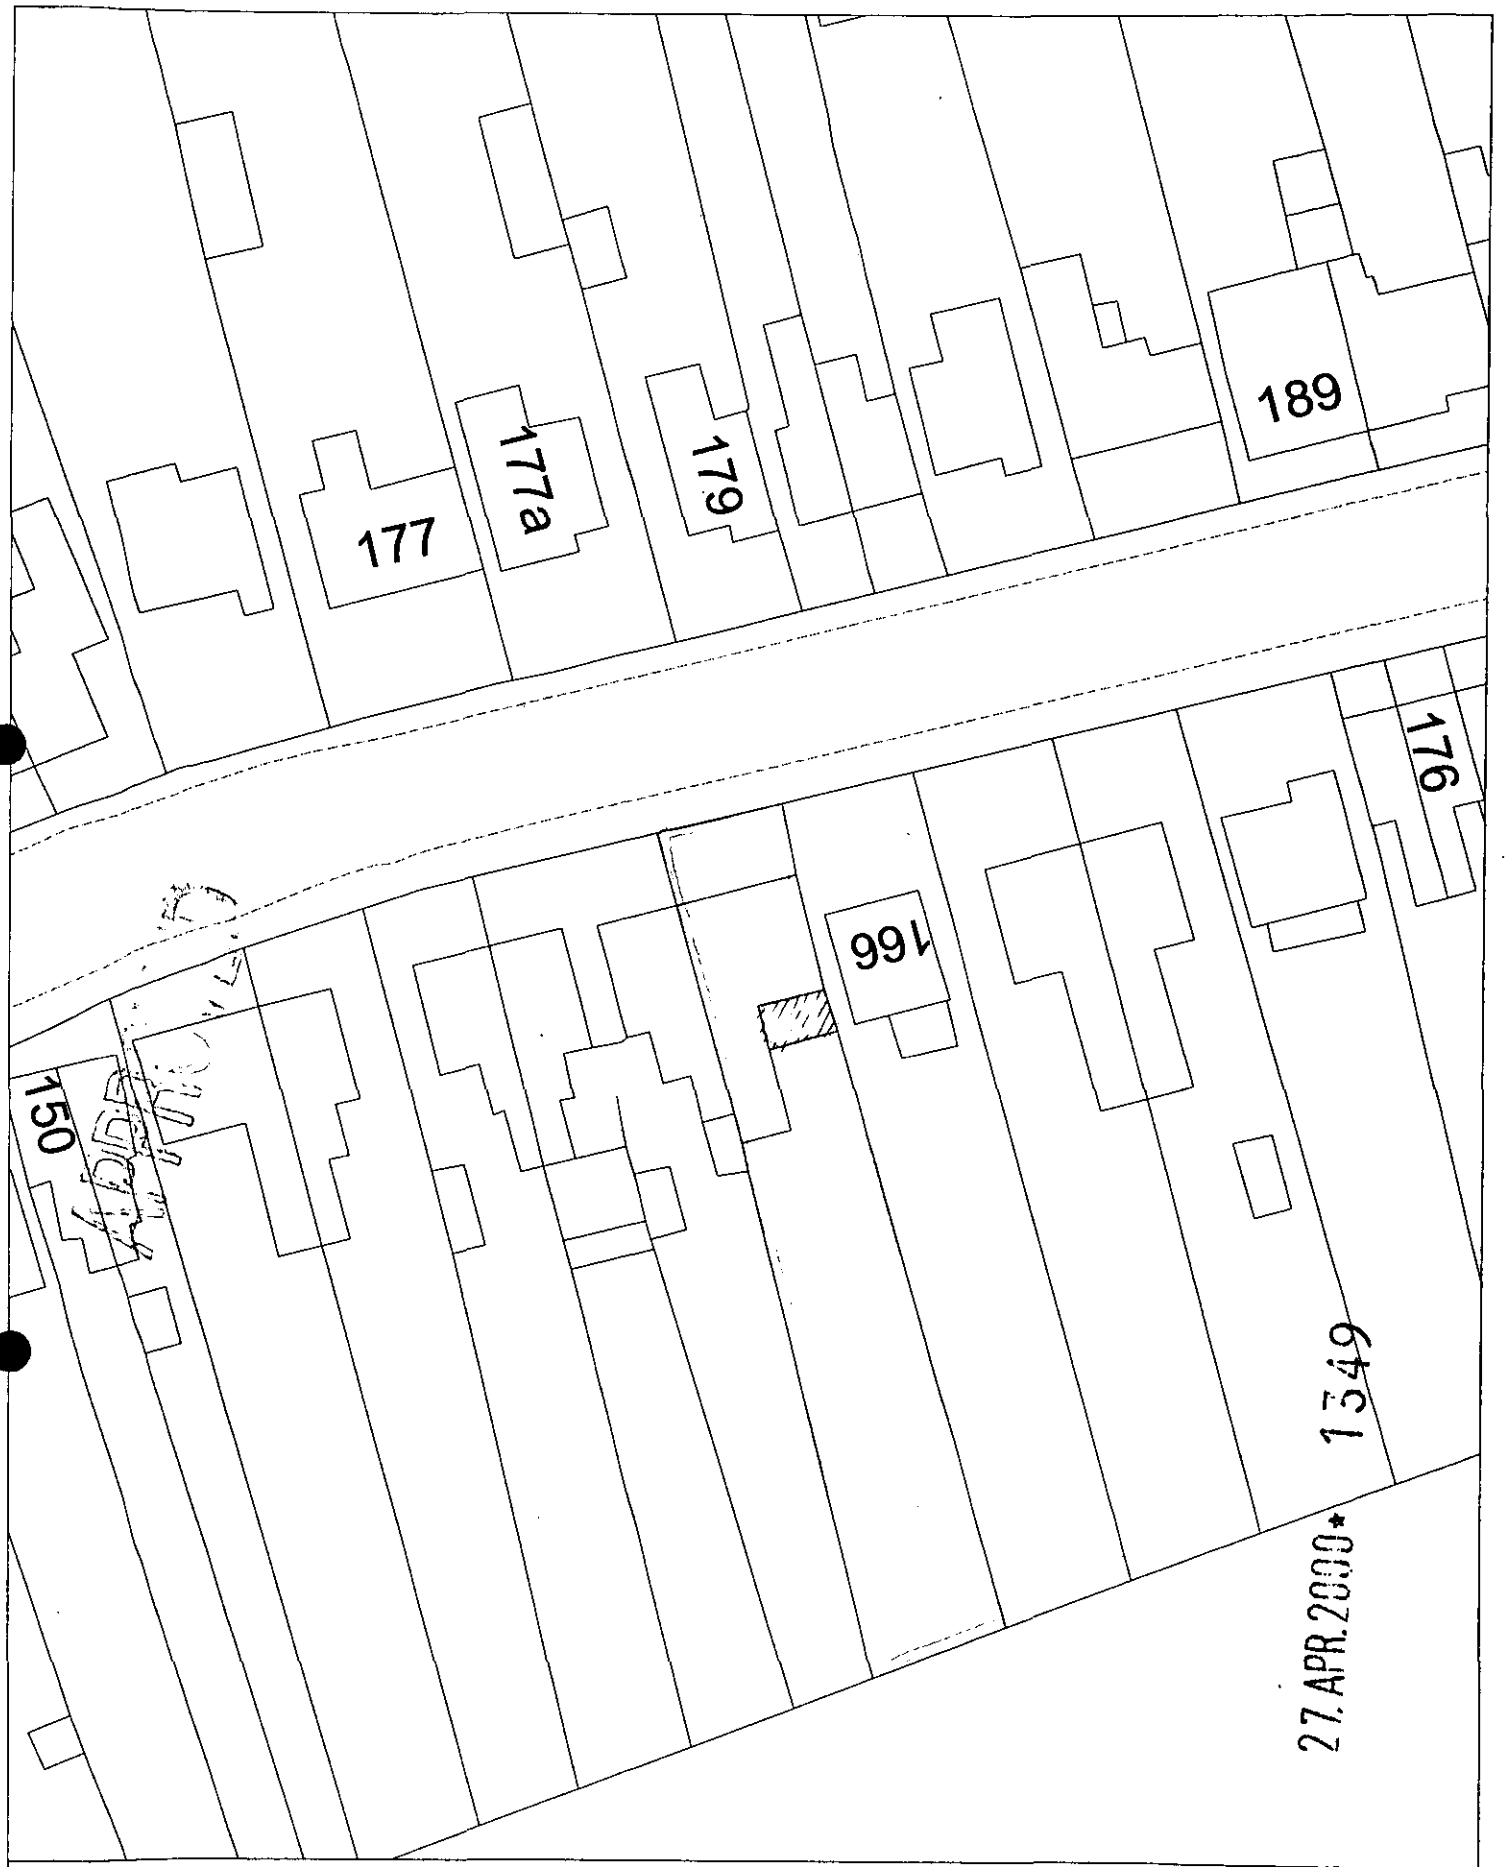

If you have already complied with these conditions, please disregard this letter.

If you have any queries regarding this matter please do not hesitate to contact me on the above telephone number.

Yours faithfully

N Lake .

1.) Impact upon the neighbouring dwellings

2.) Impact upon the Street Scene.

Application Number: F/2000/1349

Appraisal :

1.) Impact upon the neighbouring dwellings

The proposed development is for a single storey pitched roof extension to replace the existing conservatory. No 166 stands further back than the application site, to the other side of the existing rear 2/3 projecting section of No 164. Therefore, there will be no overlooking, overshadowing or overbearing issues, there will be no detrimental impact upon the neighbouring dwellings.

2.) Impact upon the character of the surrounding area.

The proposed development is in keeping with the character of the existing dwelling and the wider area. The proposal will replace an existing conservatory, but will have a steeper pitch.

As such, there will be no detrimental impact upon the surrounding area.

YOUR PLANNING APPLICATION

WHY DO YOU NEED TO MAKE A PLANNING APPLICATION ?

New buildings, major alterations and enlargement of existing buildings, and many changes in the use of buildings and land need planning permission.
The Town and Country Planning Acts impose a duty on Local Authorities to control these changes, and this means that a balance has to be found between the need and pressure for change, and the desire to protect the character of settlements and the countryside.
The merits of each application are, therefore, carefully examined.

WHAT ELSE MAY YOU HAVE TO DO ?

Listed Building Consent:	for works to a Listed Building; or for demolition works on land within the curtilage of a Listed Building or within a Conservation Area.
Advertisement Consent:	for the display of advertisements or signs
Building Regulation Approval:	for most new building or construction work.

Special forms are available for these types of applications.

You should also check whether there are any other regulations with which you may need to comply.

WHAT HAPPENS TO THE APPLICATION ?

It will first be checked to see if it is complete and if it is, it will be registered.

Consultations will be carried out with public and other bodies, such as the Highway Authority, or Local Parish Councils.

Publicity may be given to allow local people the opportunity to comment on your proposals.

The application will be considered in relation to the Council's planning policies and guidelines, the past history of decisions on that site or in the locality, other standards (such as parking, or visibility at road junctions), and any other material considerations.

The site will be visited by a Planning Officer You may be asked to submit more information, or to amend your application.

The application will then be considered either by a Planning Committee or Sub Committee (made up of Councillors) or by the Chief Officer responsible for planning matters. Objections to an application will be taken into consideration by the Committee or the Chief Officer.

Shortly after the application has been determined, you will receive a Decision Notice.

HOW LONG WILL IT TAKE ?

An application will generally be determined within eight weeks although a longer period may sometimes be required for a complicated application.

WHAT SORT OF DECISION CAN BE MADE ?

Your application may be approved.

Your application may be approved subject to certain conditions. These could impose restictions on the use of land or buildings, or require further details to be approved at a later stage, (e.g. materials or landscaping).
You may appeal against the conditions, but this opens the entire permission to review by the Secretary of State.

Your application may be refused. The reason will be listed on the Decision Notice.

WHAT HAPPENS IF THE APPLICATION IS REFUSED ?

You have the right to appeal against the refusal to the Secretary of State, but you have to do that within six months. Appeals can be dealt with by written representations by both sides, or by a Public Inquiry.
You may ask the Planning Officer whether an amended application would be more likely to receive planning permission.
