

PLANNING REF : 241933
PROPERTY ADDRESS : 7 Wallner Way
: Wokingham
: RG40 2JY
SUBMITTED BY : Mr Harvey Aaron
DATE SUBMITTED : 08/06/2026

COMMENTS:

Wokingham cannot absorb further housing developments to an already over developed programme. The infrastructure is already suffocating the Wokingham area with the current programme of developments as this is before the new traffic emerges as consequence. Such a programme of developments, is killing the country side, killing wildlife, cutting off communities and seriously impacting the wellbeing and health of our residents.

This planning application should not be approved.
