Condition 64 of Outline Permission O/2014/2280 has already been discharged such that deliveries are permitted from 0700-2300 each day. To enable fresh food deliveries ahead of the store opening each day, permission is now sought to re-discharge condition 64 of the outline planning permission to allow for a slightly longer delivery window, from 06:30 until 23:00 - an extra 30 minutes in the morning. In recognition that the store is in relatively close proximity to residential properties, permission is sought for a temporary period of 6 months. This will allow for Sainsbury's and the Local Planning Authority to monitor the effect of this delivery window extension before consideration is given to the potential to make the arrangement permanent, which would be via a further application to discharge condition 64.
