Planning Issues :

Application Number: F/2002/8189

Appraisal :

There will be no adverse effect on neighbouring property because of the angle between the two properties and the blank side elevation of no 578.

There will be no adverse impact on the street scene because of the remaining gap at first floor level.

Provided matching rendering is used at f/fl level the 'join' will not be apparent.

The proposed side elevation window will be obscure glazed and therefore acceptable.

The property will retain a drive through garage with one parking space in driveway.
