Application Number: F/2002/8192 – 9 Tigers Eye Close, Wokingham.

Appraisal:

Proposed Development

The proposed development is a single storey rear extension. The proposed garden room extension will project approximately 2.7m from the rear wall of the property, at its widest point will be 5.2m and will be 3.7m in height to the ridge of the roof. The proposed hobbies room extension will be 6.55m in width, it will be 4.5m in length and to the ridge of the roof will be 4.5m.

The site lies in the identified settlement. The proposed falls to be assessed against policies in the adopted South East Area Local Plan and Wokingham District Local Plan (as proposed to be modified).

1. Impact upon neighbouring properties

Overbearing
The extension will not be overbearing to no.9 Tigers Eye Close given that the nearest single storey element (proposed office/study) is set in 1.5m from the boundary and will have an eaves height of 1.35m. The proposed hobbies room will be set in 3.1m from the boundary and will have an eaves height of 2.35m.

The land at 77 Northway is 0.3m higher than at 9 Tigers Eye Close. Accordingly, as this is a single storey extension with an eaves height of 2.35m with relatively shallow pitched roofs it will not be overbearing to 77 Northway.

Overlooking
There will not be any overlooking as no windows are proposed in the south east facing elevation. In addition, the garage at 77 Northway will obscure views to the property.

Overshadowing
Given its relationship with neighbouring properties, there will not be any overshadowing.

2. Impact upon the character of the area

Although the land at Northway is approximately 0.3m higher than at 9 Tigers Eye Close, the extension will not be particularly visible given that the boundary is marked by a brick wall of approximately 1.5 to 1.8m in height. In addition, the eaves height of the extension will be 2.35m and the roofs will have a relatively shallow pitch.
