

HOUSEHOLDER **DRAFT DECISION NOTICE**

WOKINGHAM
BOROUGH COUNCIL

Expiry Date: 23 May 2026

Application Number: 260675

Location: 94 Oxford Road, Wokingham, Wokingham, RG41 2YJ

Proposal: Householder application for the proposed raising and modification of the roof and erection of single storey front extension to form a porch, plus part two storey and part first floor side/rear extensions and a single storey rear extension following demolition of existing rear extension, changes to fenestration and conversion of existing garage to habitable accommodation.

Recommendation: Approve

Conditions and/or Reasons

1. Timescale

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered 002/B, 004/B and 005/A received by the local planning authority on 19th March 2026 and 003/C received by the local planning authority on 24th March 2026. The development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the local planning authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. External materials

Except where stated otherwise on the approved drawings, the materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of similar appearance to those used in the existing building, unless otherwise agreed in writing by the local planning authority.

Reason: To ensure that the external appearance of the building is satisfactory.

Relevant policy: Core Strategy policies CP1 and CP3.

4. Windows

The first floor windows in the side elevations of the development hereby permitted shall be fitted with obscured glass and shall be permanently so-retained. The window shall be non-opening unless the parts of the window which can be opened are more

than 1.7 metres above the finished floor level of the room in which the window is installed and shall be permanently so-retained.

Reason: To safeguard the residential amenities of neighbouring properties. Relevant policy: Core Strategy policy CP3.

5. Ecology

Works are to be carried out in full accordance with the recommendations and biodiversity enhancements given in Section 4.5- 4.11 of the submitted Bat Scoping Survey (Crossman Associates, Ref C1122.001, 27 October 2025). Within one month of substantial completion a short closing-out report demonstrating that the ecological mitigation and enhancement measures have been implemented to the satisfaction of the Owner's Ecologist is to be issued to the council.

Reason: To ensure that biodiversity, protected and priority species are not adversely affected by the proposals. Relevant policy: Core Strategy policies CP3 and CP7 and Managing Development Delivery Local Plan policy TB23.

Informatives

1. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.

2. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

3. The development hereby permitted is liable to pay the Community Infrastructure Levy. The Liability Notice issued by Wokingham Borough Council will state the current chargeable amount. A revised Liability Notice will be issued if this amount changes. Anyone can formally assume liability to pay, but if no one does so then liability will rest with the landowner. There are certain legal requirements that must be complied with. For instance, whoever will pay the levy must submit an Assumption of Liability form and a Commencement Notice to Wokingham Borough Council prior to commencement of development, failure to do this will result in penalty surcharges being added. For more information see the Council's website - Community Infrastructure Levy advice page. Please submit all CIL forms and enquiries to developer.contributions@wokingham.gov.uk.
