NOTIFICATION OF REFUSAL OF CERTIFICATE OF LAWFUL PROPOSED USE OR DEVELOPMENT

Application Number: 252451
Applicant Name: Jacqueline McGreevy
Site Address: 35 Byron Road, Twyford, Wokingham, RG10 0AE
Proposal: Application for a certificate of lawfulness for the proposed erection of a single storey rear extension with 1 no. lantern rooflight, plus installation of replacement rear dormers and part conversion of the garage to habitable accommodation with associated modifications to the single storey roof at the side.
Date of Decision: 5 December 2025

Wokingham Borough Council hereby certifies that on 15 October 2025 (being the date of application for this certificate), and subject to any conditions and/or informatives below, the operations described in the First Schedule to this certificate in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, **would not have been lawful** within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1. The proposed single storey rear extension, part garage conversion, raising of the garage roof, insertion of rear dormers, and the installation of a drainage pipe constitutes development requiring planning permission. Permission IS NOT available under Article 3 of the Town and Country Planning (General Permitted Development) Order 2015, the proposal not being in accordance with Schedule 2 (Part 1) (Class A) of the Order. This is because the rear extension extends more than 3 metres beyond the rear wall of the dwelling.

Informatives

1. This Certificate/Decision is issued in respect of plans numbered (01), (04 RevA), (05), (06), received by the Local Planning Authority on 10/10/2025 & 15/10/2025.
