TOWN AND COUNTRY PLANNING ACTS

TOWN AND COUNTRY PLANNING ACT 1990:
SECTION 191 AND 192

TOWN AND COUNTRY PLANNING
(DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015: ARTICLE 39

Mr Jonathan Garnett

3 Willowdale
Finchampstead
Wokingham
RG40 4UF

NOTIFICATION OF REFUSAL OF CERTIFICATE OF LAWFUL PROPOSED USE OR DEVELOPMENT

Application Number: 252427
Applicant Name: Mr Jonathan Garnett
Site Address: 3 Willowdale, Finchampstead, Wokingham, RG40 4UF
Proposal: Application for a certificate of lawfulness for the proposed conversion of the garage to habitable accommodation with associated changes to fenestration, plus modification of the existing single storey front roof to create a pitched roof.
Date of Decision: 20 November 2025

Wokingham Borough Council hereby certifies that on 16 October 2025 (being the date of application for this certificate), and subject to any conditions and/or informatives below, the operations described in the First Schedule to this certificate in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, **would not have been lawful** within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1. The proposed garage conversion with associated changes to fenestration, plus modification of the existing single storey front roof to create a pitched roof constitutes development and thus requires planning permission. Permission IS NOT available under Article 3 of the Town and Country Planning (General Permitted Development) order 2015, the proposal being out of accordance with Schedule 2 (Part 1) (Class A, B, C and D) of the order. This is due to the proposed pitched roof extending beyond the plane of

the existing roof slope at the front elevation of the dwelling and beyond the existing wall of the principal elevation, due to the new soffit, eaves and fascia. The proposed plans could possibly be considered under Class D, however the plans still would not align with Permitted Development rights due to the new roof exceeding 3m in height.

Informatives

1. This Certificate/Decision is issued in respect of drawings numbered (003-002, 003-001), received by the local planning authority on 15/10/2025.
