COMMENTS:

I strongly support the proposal to build a masjid in our local area. With the growing Muslim population, it is essential to have a dedicated place of worship that meets the spiritual needs of the community. The Muslim community has made significant positive contributions, fostering diversity, supporting local businesses, and engaging in charitable initiatives that benefit everyone. A masjid will not only serve as a place for daily prayers but also as a center for community engagement, education, and interfaith dialogue. Providing this space will showcase inclusivity and reflect our community's commitment to religious and cultural harmony."
