Subject: Support for Establishing an Islamic and Prayer Center in Wokingham

I am writing to express my strong support for the establishment of a local Islamic and prayer center in Wokingham.

As a working mother, it is challenging to travel to other towns to fulfill my religious obligations and prayers. A local center would not only make it more convenient for me but also provide accessible religious education for my children.

Currently, Wokingham lacks an Islamic center, and with the growing Muslim population, there is an urgent need for such a facility. Many residents are forced to travel long distances, which contributes to increased traffic congestion and unnecessary time and resource expenditure.

A local Islamic center would help alleviate traffic issues, save time for working families, and ensure that the Muslim community has a dedicated space to practice their faith.

I sincerely urge you to grant permission for the establishment of the first Islamic center in Wokingham.

Best regards,
Rabail
