- ☐ Objection due to the reason(s) **stated below**

Comments On Proposal

The numbers of habitable rooms remain unchanged as 6 with the proposal. The existing driveway parking will be retained. As the existing garage of 2.5m wide does not fully meet the council's requirement for car parking, there will be no loss of parking space.

It is therefore expected that there will be no additional demand for car parking and no reduction in parking provisions.

The proposed store will remain suitable for cycle storage, which is acceptable.
