For the attention of the Planning Dept

REF APP LICATION NUMBER 241975

Proposed erection of dwellings on land at 83 Malone Rd Woodley RG5 3NL

I write in connection with the above planning application. I have read the plans carefully and wish to object for the following reasons;

- Parking is a big problem at junction of Quentin/Malone Rd already, cars having to back up constantly to let others through
- Neighbours notification card states habitable accommodation but plans state a gym/games room
- Concerns about size and height of roof with regard to over development of garden

Kind regards
