4 Goddard Close

Appraisal: 4 Goddard Close is a two-storey dwelling with a two storey side extension , set back by 1.6 metres at the front. The proposal is for an l-shaped, single-storey extension to the front and side of the existing extension. The front of the extension would be flush with that of the original house, with a porch canopy projecting a further 0.5 metres. The extension would project 2.1 metres to the side of the house and the corner would be one metres from the boundary with No 5. There would be over 30 metres between the extension and the houses to the rear. The extension would not be prominent or have a detrimental impact on the neighbouring property and therefore, the proposals are considered acceptable.
