Subject: SW R10 conditions approval letter

Hi Connor,

Here is an R10 conditions approval letter for materials (cond 9), drainage points of connection (cond 32) and CEMP (cond 36).

Emy had a look at it yesterday and I've tweaked the table a bit to make it clearer what is approved. If you're happy to authorise issue, I can close down two DoC applications 250664 and 250723. Thanks.

Kind Regards,

Sophie
