COMMENTS:

This land is directly at the rear of my semi-detached bungalow in Rowan Drive. This has been my family home since 1963. I have enjoyed living here without being overlooked at the rear. My outlook is semi-rural. These houses will overlook my home, and in particular, my living room. It will impact my natural daylight, especially in the mornings. I am also concerned that the oak trees (TPO) will be damaged or altered to make room for these houses. I strongly object to the application.
