Dear Sophie,

**Submission of Discharge of Condition Application – Conditions 15, 16, 23 – Amended Plans
Phase 2b, Parcel R10 of the South Wokingham Strategic Development Location**

On behalf of our clients, Miller Homes (“the Applicant”), we write to formally submit details to discharge Conditions 15, 16, 23 pursuant to full planning permission reference 191068. This application relates to Phase 2b Parcel R10 only.

Following receipt of consultation response (dated 17th July 2025) from the Landscape Officer relating to conditions 15 and 16 amendments have been made to the plans. The plan references in red indicate the new revisions. For ease, comments in red have been added to the enclosed consultation response letter.

Consultation comments are still awaited in relation to condition 23.

Condition 15 states (as relevant to this particular parcel):

ii) The landscaping details for each Phase of the development shall include a Landscape Phasing Plan demonstrating timely delivery of hard and soft landscaping in relation to adjacent built development and the approved landscaping for each "Landscape Phase" shall be carried out in accordance with the approved phasing. The scheme shall be maintained in the approved form for so long as the development remains on the site.	P24-2114_EN_011A Landscape Phasing Plan
iii) No development shall take place in each phase of the development until details of quality control measures, including supervision of landscape contract(s) by a suitably qualified landscape specialist and annual landscape audits for the five-year period from completion of the landscaping for the Landscape Phase or until adoption (whichever is longer) have been submitted to and approved in writing by the Local Planning Authority. The annual Landscape Audit shall be submitted to the Local Planning Authority for information prior to the next planting season and replacement planting undertaken in accordance with the landscape audit and iv) below.	P24-2114_EN_007B Landscape Ecological Management Plan

The above table demonstrates how the requirements of the condition have been met through the submitted documents. The prepared plans and reports take full consideration of the Site Wide Masterplan, Design Code, and Landscape Design Statement as relevant to this parcel.

In accordance with the consultation responses received to date, the plans highlighted in red have been amended to suit these comments.

Condition 16 states:

Prior to the commencement of each Phase of the development a Landscape and Ecological Management Plan (LEMP), including long term design objectives, management responsibilities, timescales and maintenance schedules for all

landscape areas, other than privately owned, domestic gardens, shall be submitted to and approved in writing by the local planning authority. The Landscape and Ecological Management Plan shall be carried out as approved.

In accordance with the received consultation response, the Landscape and Ecological Management Plan has been amended (document ref. **P24-2114_EN_07B**).

If you have any questions on any of the information, please do not hesitate to contact me.

Yours sincerely
