DATUM - ORDNANCE SURVEY NATIONAL GRID (OSTN02)
LEVELS - ORDNANCE SURVEY (OSDM02)

NOTES

Surveyed boundaries are not necessarily the site legal boundaries. Client should refer to the relevant Land Registry document for confirmation of this.

Drainage and service covers that were buried, obscured or not visible at the time of the survey cannot be shown. Sewer connections between manholes are assumed to be straight and only given visible from the cover on the stream.

Tree canopy measured values are written as maximum spreads. Tree species are condition to be confirmed by an arboriculturist.
