PROPERTY ADDRESS : Warren House
: Scarletts Lane, Kiln Green
: RG10 9XD
SUBMITTED BY : Mr Simon Chapman
DATE SUBMITTED : 12/12/2024

COMMENTS:

As a close neighbour with a passion to protect our historic environment, I find it impossible to object to this application. Our historic buildings must be allowed sympathetic contemporary relevance if they are to remain habitable, viable and attractive to the current and future custodians of our distinguished heritage buildings who will finance the onerous maintenance costs going forward. I support this application.
