1. Proposed Landscape

Existing large mature laurel hedge to the outside of the wall.

New multi stem trees for all year interest and structure, *Amelanchier lamarckii*, with berries to support birds and wildlife. height 3m plus

Existing apple tree.

1 No. native field maple (*acer campestre*) and 2 native *prunus avium* planted in amongst the augmented native mix hedge and allowed to grow as specimen trees. 3.5 m tall standards.

2 proposed *Amelanchier Lamarchii* multi stem trees to support wildlife, birds and biodiversity and soften front of house. 3.5 to 4 m tall.

Native Yew topiary domes planted in borders with grasses and perennials to support wildlife and biodiversity.

Native mix hedge whips to augment existing hedge.

10% *viburnum opulus*
10% *crataegus monogyna*
20% *corylus avellana*
20% *ilex aquifolium*
10% *acer campestre*
10% *prunus avium*
10% *prunus padus*

Existing Tulip tree and Bay tree.

Suggested pleached apples or pear trees or mix to frame the terrace paved in sawn Yorkstone slabs 900X600 tbc. such as https://bingleystone.com/product/s/pennine-sawn-yorkshire-stone-flags/?attribute_thickness=38mm&attribute_width=600mm&attribute_length=900

Resin bound permeable gravel driveway. Colour tbc.

Existing olive trees.

Suggested new fastigate trees. A variety of the native field maple. 4 No. *Acer campestre* William Caldwell in naturalistic border planted with grasses and perennials. No hedge suggested against the new wall.

Existing atlantic cedar mature tree.

Existing native hedging mix to the outside of the fence on Nursery Gardens side.

Proposed native pleached hedge, beech, semi evergreen, along proposed building on Nursery Garden side. Pleached beech with 1.8 m clear stem to allow for walking and maintenance from permeable gravel path below. 1.5 m high pleached panel, total height 3.3m

Ecco gravel or similar stabilisation grid. 10 mm Buff flint aggregate or similar to match Yorkstone buff/honey paving slabs. <https://cedstonelondon.co.uk/buff-flint-aggregate/>

Proposed native trees by garage: 3 multistem silver birch, a cultivated variety with clearer white trunk, *betula Jackmanii*.

Suggested native hedging: green beech, *fagus sylvatica* to support birds life and give semi evergreen structure.

Proposed new trees. A fastigate variety of the native field maple. 5 No. *Acer campestre* William Caldwell.
