COMMENTS:

Remenham Parish Council (RPC) met in June 2025 and discussed the two Secundus applications. It asked me to submit the follow comment.

In 2012-13 for Secundus there was an approval (121867) for a leisure mooring to become a residential mooring with only a boathouse, shed and storage unit. 211004 & 201306 dwelling applications were withdrawn. Could the applicant/WBC clarify the current approved residential status of Secundus: boat or dwelling?

The current plans show a chalet, deck/decking/study, bed room and a volume of 37.5m3. Is this the total current volume of all buildings/structures?

RPC asks for a further 7 days to comment on this retrospective application after receiving the above information. Many thanks.
