COMMENTS:

Remenham Parish Council (RPC) discussed the two Secundus applications at its June 2025 meeting. It asked me to submit the following.

RPC still objects to the current submission. It believes that the external gate should be set back far enough from the A321 highway to allow for safe entry and exit from the property (i.e. at least 4.5meters from the edge of this road). This distance is generally required to allow vehicles to safely stop and wait for the gates to open without obstructing the flow of traffic on this busy A road.
