Dear Fred Preston,

**SECTION 211 NOTIFICATION OF WORK TO TREES WITHIN THE WARGRAVE
CONSERVATION AREA
APPLICATION NUMBER: 252038
LOCATION: 65 HIGH STREET, WARGRAVE, WOKINGHAM, BERKS, RG10 8BU**

With reference to your notification which was received and validated on the 27 August 2025. I am writing to advise you that Wokingham Borough Council raises **no objections** to the proposed tree works being undertaken as specified within the Wargrave Conservation Area. Please accept my apologies for this delayed reply.

Proposed works:

T1, Purple Plum

- Remove dead branch; remove dead central stem and declining side branch.

T2, Purple Plum

- Remove deadwood in the lowest 4m of the canopy.

T3, Magnolia

- Remove low branch back to first growth point, remove large deadwood in lower canopy.

T4, Magnolia

- Remove 2 no. large pieces of deadwood; remove small stub branch back to source.

T5, Hazel

- Re-pollard at previous pollard knuckles, leaving 50-100mm stubs to aid regrowth

Officer's comments:

The Council considers that the tree work is appropriate and can be undertaken in accordance with arboricultural good practice. Serving of a TPO to prevent or moderate the proposed works is considered unnecessary and inappropriate on this occasion. The Wokingham Borough Council raises no objections to the proposed works.

Informatives:

- 1) You are advised that, in accordance with Part 4, 17 (4) of The Town and Country Planning (Tree Preservation) (England) Regulations 2012, this decision is valid for **one pruning operation** (as per the approved specifications) to be undertaken **within two years** from the date of this notice, after which date the consent lapses, and a new Section 211 Notification will be required.
- 2) You are advised that this letter is in respect of the **Conservation Area only** and it does not imply that consent would be forthcoming from the owner of the tree(s) or any such other persons from whom consent would be required.

If we can be of any further assistance, please contact the Tree and Landscape Officer via development.control@wokingham.gov.uk.

Yours sincerely,

Please note that your attention is drawn to the following information:

Bird Nesting Season and Presence of Bat Roosts

In accordance with the Wildlife and Countryside Act (1981) and Countryside Rights of Way Act (2000), consideration must be given to the timing and type of tree work operations, to avoid causing disturbance to any nesting birds or bat roosts that may be present within the tree(s).

The Act makes it an offence (subject to exceptions) to intentionally kill, injure, or take, possess, or trade in any wild animal listed, and prohibits interference with places used for shelter or protection, or intentionally disturbing animals occupying such places.

It is advised that all non-urgent major tree work and hedge cutting operations are undertaken at a time to avoid disturbing nesting birds during the breeding season (to which the bird nesting season is considered to be from March to July). Where bats are suspected to be present, it is recommended that advice first be sought from a licenced bat specialist and if appropriate, the relevant licence(s) be obtained before any major tree work or hedge cutting commences.

Forestry Act 1967 and Felling Licences

If it proposed to fell a tree or trees greater than 5 cubic meters or sell more than 2 cubic meters of timber in any calendar quarter, a Felling Licence from the Forestry Authority may be required.

Please note that Felling Licences are not required to remove trees from domestic (residential) gardens. Where you are the landowner of large pieces of land with numerous trees, clarification from the Forestry Commission may be required as to whether a Felling licence is needed.

For more information on Felling Licences, please speak to the Woodland Officer at the Forestry Commission on 01296 696543
