COMMENTS:

I object to this Application for the following reasons:

1. A previous Application for building on this site has previously been refused.
2. The lack of amenities in the area.
3. Local sewage works is already overloaded.
4. Extra traffic entering Longwater Lane, especially at the proposed site, would prove a hazard.
5. There is considerable wildlife on and around the site, and any building would have an environmental impact.
6. Purchasers of proposed properties would need own transport due to lack of public service.
