CONSULTATION RESPONSE from Berkshire Archaeology

Thank you for consulting Berkshire Archaeology re **Submission of Details** application **243181**, in relation to **232833 Land South Of Cutbush Lane East Shinfield RG6 4AH**

We have seen the Written Scheme of Investigation '*Plot A Thames Valley Science Park Reading, Berkshire*' by Wessex Archaeology, dated May 2024, which we consider to be satisfactory.

However, as the work specified within the document still needs to be reported on, we **do not recommend that it be fully discharged yet**.
