: Reading  
: RG2 9RJ  
SUBMITTED BY : Manon Wallace  
DATE SUBMITTED : 26/10/2025

COMMENTS:

The roads, schools, doctors and dentists are already overwhelmed and cannot support the current population in Shinfield, let alone an additional 183 households. This would also have a devastating impact on the wildlife living on the proposed site, including a family of deer, that would be displaced as a result of this proposal.
