Summary

The proposal does not raise any concern from a character perspective, nor would there be any impact upon neighbouring sites. Nonetheless, the applicant would need to demonstrate that the new fence line would have an acceptable impact on highways safety, with emphasis placed on the response from the Highways Officer.

Once you are ready, we would recommend that you obtain several quotes from planning agents and employ one to submit your planning application for you.

Householder applications can be submitted on the Planning Portal website. Please use the information available on the council's how to apply for planning permission page to help you submit the right plans and documents.

In addition to the application form, community infrastructure levy form and application fee, we would expect to see:

- Location Plan
- Site Plan (indicating any parking spaces if needed)
- Existing and Proposed Floor Plans
- Existing and Proposed Elevation Plans

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
