Description of Proposed Works

Please describe the proposed works

The proposed development is for building a patio and erection of a shelter (e.g. a roofed gazebo or a garden room) at the back on the garden. The development greatly improves the usability of the garden for the residential occupants who have a young family and a pet. The work will involve some ground preparation for patio and then installation of the wooden structure. It will be raised area above ground level where the patio base will be created for supporting the shelter. Excavation of the site will not be required except for installation of support posts / pegs to support the retaining elements. Where possible, initial layout / features will be accommodated into the plan with minimal impact to the surrounding environment.

Has the work already been started without consent?

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Details of the pre-application advice received

No specific objections were raised.
It was advised to seek tree planning permission as the development is within the RPA of Oak tree with TPO-0091/1975. This has now been granted for tree application number 242378

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
