

GENERAL NOTES:
1. Do not scale.
2. This drawing is to be read in conjunction with and checked against
all other drawings, Engineering details, Specification and any
structural, Geotechnical or other specialist document provided.
3. Any anomaly or contradiction between any of the above is to be
reported to the Engineer.
4. A copy of this drawing is to be used for the construction details provided.
Additional CBR in situ testing is required to verify the design before
the works commence.
5. WBC Highway Inspector to be present during inspections/CRB
testing.

TYPICAL FLEXIPAVE DETAIL

SCALE 1:25

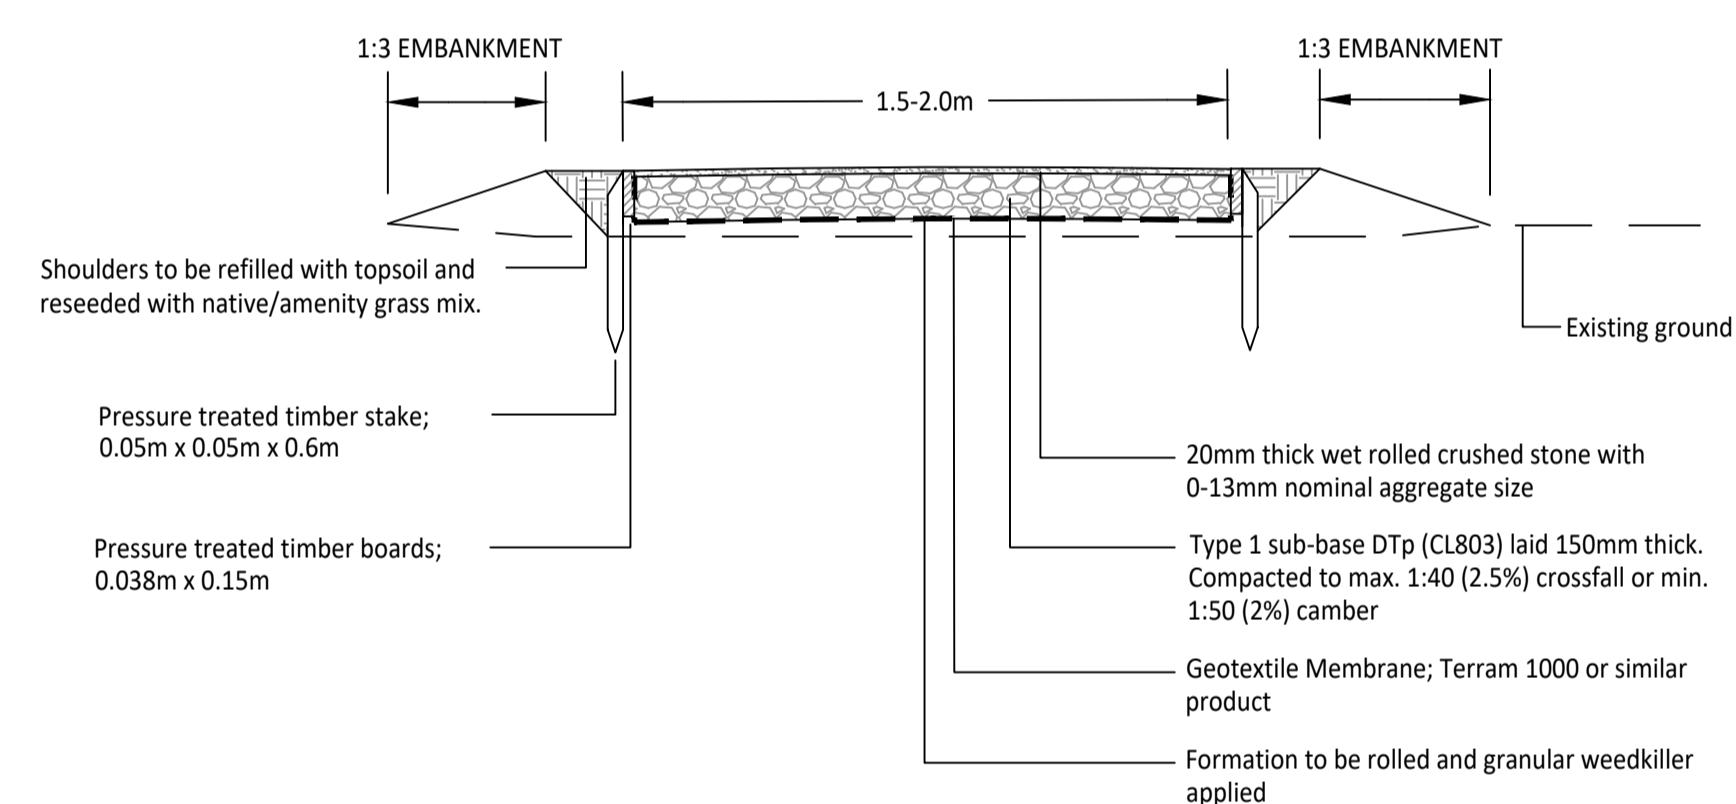

Proposed KBI Flexipave Path
