COMMENTS:

I object to this plan. The junction on School Road with Langley Common Road is dangerous. I have been trying to get WBC to do something about it since School Road was closed, something which not every resident on the road approved of. Despite approaches to WBC, both the former and current MP and local councillors, nothing has been done and nothing will be done. Over this period the weight of traffic on Langley Common Road has increased, exacerbating the problem and increasing the risk, especially for vehicles turning towards Arborfield as we are forced to do if travelling to Reading, for example, with frequent near misses and some accidents. Adding more traffic only increases the risk.
