

## **Construction Traffic Route**

- All construction traffic including delivery of materials, construction machinery, cranes and site workers will enter via Colemans Moor Road, as shown on the plan
- Most of the construction traffic will be coming via the indicated route where the roads are wider
- Where possible, much of the deliveries will come from local merchants to avoid travelling excessively
- Construction traffic will be recommended not to enter and exit via Colemans Moor Lane as this is a narrower road residential road
- Where possible, smaller vehicles for deliveries will be requested to avoid disruption
