Address: Diagon House, Eversley Road, Arborfield Cross. RG2 9PQ

Requested for further Information

Point 1 (Additional Sketch & Plan with landmarks highlighted).

Taken from the Wokingham Council website is a snapshot of the local conservation area. As shown our house falls within this but no TPO on the willow tree itself?

Point 2 (Height Reduction in Metres).

The planned height reduction is approx. 3 Metres. This planned reduction will be in line with the height of the garage (photo next page).

Side view from drive to of Diagon House into the garden & willow tree.
