## Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Application 251700, which was approved on 6 August, allowed for a 6-month trial period for deliveries commencing at 06:30 and ending at 23:00. These are permitted to remain in place until 28/2/26. The decision noted that "In the event that the applicant wishes to seek approval for delivery hours (i.e. beyond 28/02/2026), a new discharge of conditions application will be required in advance of this date".

This application seeks to make permanent the delivery hours of 06:30-23:00.

The store has not received any complaints of disturbance resulting from the deliveries taking place from 06:30, and neither the applicant nor Alder King, as agent for the application, have been made aware of any complaints received by the LPA. As such, there would appear to be no reason why deliveries from 06:30-23:00 each day cannot be allowed on a permanent basis.
